L. 26.7.21.

To

The Hon'ble Mr. R. Rainaisnamaiya, Esqre. B.A.

Secretary to the Government of Mysore

Revenue Department, Public Offices, Bangalore City

Sir,

With reference to your Letter No. L49/M1-239-20-2 dated the 6th July 1921, to the Chief Engineer, Mysore, in connection with the "Water Supply" proposed for this Settlement, I beg herewith to express my best thanks to you, and through you, also to The Hon'ble The Mysore Durbar, for so readily and graciously according to my proposals on the Subject. I am sorry however to have to say that owing to the recent Order of The Hon'ble The Government of Mysore, No. R 142 63-75/L.R.-451-17, dated the 28th June 1921, in regard to the Resumption of all the Lands of this Settlement, conditions have arisen and may stultify the promise I held out in my letter of a grant from the Anglo Indian Lottery Fund of Rs. 13,000/- to cover half the cost of a suitable Scheme. The Chairman of the Trustees of the Lottery Fund, whom I have consulted, is of opinion that, under the altered conditions created by the Resumption Order, Whitefield would no longer be a purely Anglo-Indian Settlement and that therefore it seemed to him, that the Lottery Fund could not rightly be made use of, for the benefit of Members of Whitefield, who, no longer, would exist as Settlers of a Colony controlled by the Anglo-Indian and Domiciled European Association of Mysore and County. The matter is momentous and urgent, and I am accordingly addressing You, Sir, as directed to ask (1) Whether, under the above circumstances, it would be better to allow action on the part of the Chief Engineer in Mysore,

in regard to defendants on Enquiries to avoid settlement- in order to formulate
a suitable Scheme to stand over for [illegible]. The formulation of a Scheme,
or proposed to decided upon until after the termination of Costs. Perhaps,
meanwhile the Trustees have on their own sanction a grant, considering
we with still continue to be Members of the Master Association, and the
Association may under the altered conditions embarked by the Resumption
order, move the Court to vary or revoke the terms of the Prospectus -
We to all due respects and compliments

Believe me

Dear

Yours faithfully
